### Season 1

## Steel Magnolias

By Robert Harling

Directed by Dexter Bourke

The action is set in Truvy's beauty salon in Louisiana, where all the ladies who are "anybody" come to have their hair done. Filled with hilarious repartee and not a few acerbic but humorously revealing verbal collisions, the play combines beautiful writing with wit, pathos & tragedy.

This is a play about an Australian Rules Football team called the Crows. The Crows aren't very good but are determined to win the 1963 Grand Final, after not having won one for years. So the coaches set out to find a new player. They find one of the worlds greatest kickers - the only problem is he has never played football and isn't interested in playing. It is up to the coaches and the great kickers cousin to convince him to learn how to play Aussie Rules and help the Crows win the 1963 championship.

**Performance Dates:**

**Season 3**

**The Odd Couple**

By Neil Simon  
Directed by Michelle Swann

Divorced from his wife, Oscar lives in the cheerful chaos his carefree nature thrives on. Into the midst of his smoke-laden, beer-sodden weekly poker session, comes Felix, newly separated from his wife and, so he says, suicidal. At Oscar's invitation Felix moves in, and is soon finding comfort in performing, with the same thoroughness which lost him his wife, the cooking, cleaning, polishing and laundry until Oscar is almost reduced, by continuous nagging, to a nervous wreck.

**Performance Dates:**
